

Brimfield Historical Society Engraved Brick Programs

Make your mark in the history of Brimfield with a lasting remembrance through the Kelso House Brick Walkway program. Your name or the name of a loved one, club or business, etched in a red brick, proclaims your interest in preserving the culture and history of a Western Reserve township that dates from the mid-1800s. The bricks line the sidewalk that lead to the elevator at the rear of the house or add to the landscaped area around the Brimfield School Arch and enhance the park-like atmosphere of the Kelso House grounds. All proceeds from brick sales go to the Brimfield Historical Society Endowment Fund, which recognizes the names of contributors.

Choose from Two Placements

- #1. Along the sidewalk leading to the Kelso House
- #2. Added to the landscaped area around the School Arch
